Nexi S.p.A. annuncia l'avvio del collocamento di un prestito obbligazionario senior unsecured equity-linked per Euro un miliardo con scadenza al 2028

Milano, 16 febbraio 2021 – Nexi S.p.A., una società per azioni incorporata in Italia ("**Nexi**" o l'"**Emittente**"), annuncia l'avvio del collocamento (il "**Collocamento**") di obbligazioni senior unsecured equity-linked con scadenza al 2028 (le "**Obbligazioni**"). L'importo nominale complessivo delle Obbligazioni oggetto del Collocamento è pari a Euro un miliardo.

L'Emittente si riserva il diritto di modificare le condizioni e la tempistica del Collocamento, rivolto a investitori qualificati e nel rispetto delle usuali restrizioni applicabili a questo tipo di offerte, in qualsiasi momento.

Le Obbligazioni saranno convertibili in azioni ordinarie dell'Emittente (le "**Azioni Ordinarie**"), subordinatamente all'approvazione di una delibera di un aumento di capitale con esclusione del diritto di opzione da riservare esclusivamente al servizio della conversione delle predette Obbligazioni (l'"**Aumento di Capitale**"). Successivamente a tale approvazione, l'Emittente emetterà un'apposita nota (la "**Physical Settlement Notice**") per gli obbligazionisti.

Antecedentemente alla notifica della Physical Settlement Notice da parte dell'Emittente, gli obbligazionisti avranno il diritto di ricevere il rimborso anticipato delle Obbligazioni durante il c.d. *Settlement Period* (così come definito e secondo quanto disciplinato nelle condizioni del prestito) al c.d. *Cash Alternative Amount* (così come definito nelle condizioni del prestito).

Nel caso di mancata approvazione dell'Aumento di Capitale entro la Long-Stop Date, come di seguito definita, l'Emittente potrà, con avviso scritto agli obbligazionisti da pubblicare entro i 10 giorni di negoziazione di Borsa successivi alla Long Stop Date (come di seguito

definita), rimborsare integralmente, e non parzialmente, le Obbligazioni, ad un importo pari al maggiore tra (a) il 102% dell'importo nominale del prestito e (b) il 102% del *Fair Bond Value* delle Obbligazioni (come definito delle condizioni del prestito). La data entro cui potrà essere deliberato l'Aumento di Capitale è il (i) 31 dicembre 2021, nel caso in cui la c.d. *Nets Merger Effective Date* (come definita nelle condizioni del prestito) cada entro il 31 ottobre 2021 oppure (ii) in qualunque altro caso, il 28 febbraio 2022 (la "**Long-Stop Date**").

Le Obbligazioni, sottoscritte con taglio minimo unitario di €100.000, salvo che non siano state precedentemente rimborsate, convertite o acquistate e cancellate in base alle condizioni del prestito, saranno rimborsate al loro valore nominale intorno alla scadenza del 24 febbraio 2028 (7 anni).

Le Obbligazioni non corrisponderanno interessi.

Il prezzo di conversione iniziale incorporerà un premio di conversione tra il 50% e il 55% applicato al Reference Share Price, a sua volta pari al prezzo del collocamento delle Azioni Ordinarie nel Concurrent Equity Offering (come definito e meglio descritto nel prosieguo).

L'Emittente avrà diritto di rimborsare in toto, ma non in parte, le Obbligazioni al loro valore nominale a partire dal giorno che cade 5 anni e 15 giorni di negoziazione dopo la Data di Emissione (c.d. *Issue Date*), nel caso in cui il c.d. *Parity Value* (come definito nelle condizioni del prestito) sia (i) per almeno 20 giorni di negoziazione su 30 giorni di negoziazione consecutivi superiore a Euro 150.000,00 o (ii) in qualsiasi momento se l'85% o più delle Obbligazioni emesse inizialmente sarà stato convertito, rimborsato o acquistato e cancellato. Inoltre, come da prassi l'Emittente avrà la facoltà di rimborsare anticipatamente e integralmente il prestito per ragioni fiscali, qualora lo stesso debba farsi carico, in relazione ai pagamenti dovuti, di imposte di competenza degli obbligazionisti, fermo restando il diritto degli obbligazionisti di scegliere di non essere rimborsati (c.d. *tax call*).

A ciascun investitore sarà concessa la facoltà di richiedere il rimborso anticipato al valore nominale delle Obbligazioni, al verificarsi di un c.d. *Change of Control* o c.d. *Free Float Event* (come definiti nelle condizioni del prestito).

Le Obbligazioni saranno, al momento dell'emissione, *unsecured* e non assistite da alcuna garanzia reale e non garantite da alcuna società controllata ma potrebbero essere garantite in circostanze limitate definite dalle condizioni del prestito tra cui, *inter alia*, l'estensione alle Obbligazioni delle eventuali garanzie reali e/o personali fornite in relazione al prestito obbligazionario "**€825,000,000 1.75% Senior Notes due 2024**" emesso il 21 ottobre 2019, ove ancora in circolazione.

I Joint Bookrunners hanno informato l'Emittente che, contestualmente al Collocamento, intendono effettuare il simultaneo collocamento accelerato di Azioni Ordinarie dell'Emittente (la "**Concurrent Equity Offering**"), per conto dei sottoscrittori delle obbligazioni che intendano procedere con la vendita allo scoperto di tali Azioni Ordinarie con finalità di *hedging* relativamente al rischio di mercato derivante dall'investimento nelle Obbligazioni, ad un prezzo di mercato da determinarsi attraverso un c.d. *accelerated*

bookbuilding process. L’Emittente non riceverà proventi dalla Concurrent Equity Offering. Si prevede che il Reference Share Price delle Obbligazioni sia pari al prezzo di collocamento del Concurrent Equity Offering.

I proventi derivanti dal Collocamento saranno utilizzati per finanziare parte dell’indebitamento di Nets in essere al momento della fusione comunicata al mercato il 15 novembre 2020 e/o per il perseguimento dell’attività caratteristica dell’Emittente. Tutti i managers del Collocamento o società ad essi affiliate hanno in precedenza già concesso per analoghe finalità un finanziamento *bridge* all’Emittente che intende ridurre parzialmente l’importo disponibile di tale finanziamento in ragione dell’ottenimento dei proventi derivanti dal Collocamento.

L’Emittente, anche per conto delle società controllate, assumerà, in linea con la prassi di mercato per operazioni simili e per un periodo di 90 giorni dalla Data di Emissione (come definita nel proseguo), impegni di inalienabilità (c.d. *lock-up*) in relazione all’emissione di Azioni Ordinarie nonché di eventuali strumenti finanziari alle stesse collegate, salve (i) alcune eccezioni in linea con la prassi di mercato (quali, *inter alia*, i piani di stock-option), (ii) le eccezioni previste dagli accordi di fusione tra l’Emittente e Sia S.p.A. o Nets TopCo 2 S.a.r.l., la conversione in Azioni Ordinarie del prestito “€500m 1.75%. Equity Linked Bonds due 2027”, e (iii) la rinuncia espressa al *lock-up* da parte dei Joint Global Coordinators per conto dei managers.

Nexi prevede di annunciare i termini finali delle Obbligazioni nella giornata di domani una volta completato il processo di *bookbuilding* mentre il regolamento delle Obbligazioni avverrà in data 24 febbraio 2021 (la “**Data di Emissione**”).

La Società presenterà richiesta di ammissione delle Obbligazioni alla negoziazione sul mercato Vienna MTF gestito dalla Borsa di Vienna entro 90 giorni dalla Data di Emissione.

Nel contesto del Collocamento, BofA Securities Europe SA, J.P. Morgan AG, Credit Suisse Securities, Sociedad de Valores, S.A., HSBC Continental Europe e IMI - Intesa Sanpaolo agiranno in qualità di Joint Global Coordinators e Joint Bookrunners.

CANADA: This announcement and any Bonds issued may only be distributed to investors in Canada pursuant to an exemption from the prospectus requirements of Canadian securities laws. MIFID II PROFESSIONALS/ECPS-ONLY: Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on Markets in Financial Instruments, as amended (“**MiFID II**”); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the “**MiFID II product governance requirements**”), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any “manufacturer” (for the purposes of the MiFID II product governance requirements) may otherwise have with respect thereto, the Bonds have been subject to a product approval process, which has determined that: (i) the target market for the Bonds is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the Bonds to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Bonds (a “**distributor**”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Bonds (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

The target market assessment is without prejudice to the requirements of any contractual or legal selling restrictions in relation to any offering of the Bonds.

For the avoidance of doubt, the target market assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Bonds.

Prohibition of sales to EEA retail investors - the Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a “retail investor” means a person who is one (or more) of: (i) a retail client as defined in point (11) of article 4(1) of MiFID II; or (ii) a customer within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID. Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIPS Regulation**”) for offering or selling the Bonds, or otherwise making them available, to retail investors in the EEA has been prepared and therefore offering or selling the Bonds or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPS Regulation.

Prohibition of sales to UK retail investors – the Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the UK. For these purposes, a “retail investor” means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“**EUWA**”); or (ii) a customer within the meaning of the provisions of the FSMA and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA. Consequently no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (the “**UK PRIIPs Regulation**”) for offering or selling the Bonds or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Bonds or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

Neither the content of the Issuer’s website or the websites of certain of its subsidiaries, nor any website accessible by hyperlinks on the Issuer’s website or the websites of certain of its subsidiaries is incorporated in, or forms part of, this announcement.

It may be unlawful to distribute this announcement in certain jurisdictions. Persons into whose possession this announcement comes should inform themselves about and observe any such restrictions. Any failure to comply with these restrictions may constitute a violation of the securities laws of any such jurisdiction. This announcement is not for distribution in the United States, Japan, South Africa or Australia. The information

in this announcement does not constitute an offer of securities for sale in any jurisdiction. No money, securities or other consideration is being solicited, and, if sent in response to the information contained herein, will not be accepted.

This press release may include projections and other "forward-looking" statements within the meaning of applicable securities laws. Forward-looking statements are based on current expectations and involve a number of known and unknown risks, uncertainties and other factors that could cause the results of the Issuer and its group or their industries' actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by such forward-looking statements. You should not place undue reliance on forward-looking statements and none of the Issuer, any member of its group or any of the Managers undertakes to update or revise any forward-looking statement that may be made herein, whether as a result of new information, future events or otherwise. FORWARD-LOOKING STATEMENTS SPEAK ONLY AS OF THE DATE THEY ARE MADE

Any decision to purchase any of the securities described herein should only be made on the basis of an independent review by a prospective investor of the Issuer's publicly available information. Neither the Managers nor any of their respective affiliates accept any liability arising from the use of, or make any representation as to the accuracy or completeness of, this announcement or the Issuer's publicly available information. The information contained in this announcement is subject to change in its entirety without notice up to the Issue Date.

Each prospective investor should proceed on the assumption that it must bear the economic risk of an investment in the Bonds or the Ordinary Shares to be issued or transferred and delivered upon conversion of the Bonds and notionally underlying the Bonds. None of the Issuer or the Managers make any representation as to (i) the suitability of such securities for any particular investor, (ii) the appropriate accounting treatment and potential tax consequences of investing in such securities or (iii) the future performance of the securities either in absolute terms or relative to competing investments.

Each of the Issuer, the Managers and their respective affiliates expressly disclaims any obligation or undertaking to update, review or revise any statement contained in this press release whether as a result of new information, future developments or otherwise.

The Managers are acting exclusively for the Issuer and no-one else in connection with the Offering. They will not regard any other person as their respective clients in relation to the Offering and will not be responsible to anyone other than the Issuer for providing the protections afforded to their respective clients, nor for providing advice in relation to the Offering, the contents of this announcement or any transaction, arrangement or other matter referred to herein.

In connection with the Offering of the Bonds and the Concurrent Equity Offering, the Managers and any of their affiliates may take up a portion of the Bonds in the Offering and/or may acquire Ordinary Shares as a principal position and in that capacity may retain, purchase, sell, offer to sell for their own accounts such Bonds, Ordinary Shares and other securities of the Issuer or its group or related investments in connection with the Offering, the Concurrent Equity Offering or otherwise.

In addition the Managers and any of their affiliates may enter into financing arrangements (including swaps, warrants or contracts for differences) with investors in connection with which the Managers and any of their affiliates may from time to time acquire, hold or dispose of Bonds, Ordinary Shares and/or other securities or derivative positions in such securities. The Managers and their affiliates do not intend to disclose the extent of any such investment or transactions otherwise than in accordance with any legal or regulatory obligations to do so.

None of the Managers or any of their respective directors, officers, employees, affiliates, advisers or agents accepts any responsibility or liability whatsoever for or makes any representation or warranty, express or implied, as to the truth, accuracy or completeness of the information in this announcement (or whether any information has been omitted from the announcement) or any other information relating to the Issuer, its subsidiaries or associated companies, whether written, oral or in a visual or electronic form, and howsoever transmitted or made available or for any loss howsoever arising from any use of this announcement or its contents or otherwise arising in connection therewith.

The date of admission of the Bonds to the Vienna MTF may be influenced by things such as market conditions. There is no guarantee that admission will occur and you should not base your financial decisions on the

Issuer's intentions in relation to admission. Acquiring investments to which this announcement relates may expose an investor to a significant risk of losing all of the amount invested. Persons considering making such investments should consult an authorised person specialising in advising on such investments. This announcement does not constitute a recommendation concerning the Offering, the Concurrent Equity Offering, the Bonds, the Ordinary Shares or any other securities or any derivative transaction in respect thereof. The value of the Bonds and the Ordinary Shares can decrease as well as increase. Potential investors should consult a professional adviser as to the suitability of the Bonds and the Ordinary Shares for the person concerned.
