

Nexi announces the pricing of its €2,100 million in aggregate principal amount of unsecured Senior Notes

The transaction allows the Group to extend the tenor and reduce the cost of its debt

Milan, April 15, 2021 - Nexi S.p.A. ("Nexi" or the "Issuer" and, together with its subsidiaries, the "Group") announced today that, following a successful bookbuilding exercise, it has priced its €2,100 million in aggregate principal amount of unsecured Senior Notes consisting of €1,050 million of Senior Notes due 2026 (the "2026 Notes") and €1,050 million of Senior Notes due 2029 (the "2029 Notes" and, together with the 2026 Notes, the "Notes"). The 2026 Notes mature on April 30, 2026, priced at par and have a coupon of 1.625% per annum. The 2029 Notes mature on April 30, 2029, priced at par and have a coupon of 2.125% per annum. The offering of the Notes, jointly with the offering of the 2028 Convertible Notes (as defined below), allows Nexi to successfully prefund both the Nets Merger and the SIA Merger, extend the tenor of the Group's debt, achieve a significant reduction in the cost of debt for the Group and set a new benchmark for both the lowest yield (with respect to the 2026 Notes) and the longest tenor (with respect to the 2029 Notes) for non-convertible notes issued by the Group.

The closing of the sale of the Notes is scheduled to be completed on April 29, 2021, and is subject to customary closing conditions.

The Notes are governed by New York law and are expected to be listed on the Euro MTF of the Luxembourg Stock Exchange on the date of their issuance.

The Notes have been rated Ba3 by Moody's Investors Service, Inc., BB- by Fitch Ratings, Inc. and BB- by S&P Global Ratings.

The proceeds from the offering of the Notes will be used: (i) together with the proceeds of the Issuer's €1,000.0 million in aggregate principal amount of senior unsecured zero coupon equity-linked notes due 2028 (the "2028 Convertible Notes"), to refinance certain existing indebtedness of Nets Topco 2 S.à r.l. and its subsidiaries ("Nets") in the context of the proposed merger between the Issuer and Nets announced on November 15, 2020 (the "Nets Merger"), and (ii) to refinance certain existing indebtedness of SIA S.p.A. and its subsidiaries ("SIA") in the context of the proposed merger between the Issuer and SIA announced on October 5, 2020 (the "SIA Merger" and together with the Nets Merger, the "Mergers"), and to pay fees and expenses in connection with the Mergers and the offering of the Notes. The proceeds from the offering of the Notes will initially be deposited into a segregated account pending consummation of the first to occur of the Nets Merger or the

SIA Merger. Although the Issuer intends to use the proceeds of the Notes in connection with the Mergers, the Issuer may elect as of the date on which the proceeds are released from the segregated account to use the remaining proceeds from the Notes for any general corporate purpose (including to repay its existing indebtedness).

The Notes will be offered only to non-U.S. persons outside the United States in connection with offshore transactions complying with Regulation S under the U.S. Securities Act of 1933, as amended (the “Securities Act”). The Notes have not been registered under the Securities Act, or the securities laws of any state or other jurisdiction, and may not be offered or sold in the United States without registration or an applicable exemption from the registration requirements of the Securities Act and applicable state securities or blue sky laws and foreign securities laws.

BofA Securities, Credit Suisse, Goldman Sachs International and IMI—Intesa Sanpaolo acted as Joint Global Coordinators and Physical Bookrunners for the 2026 Notes and Banca Akros S.p.A., Gruppo Banco BPM, Barclays, Citigroup and Deutsche Bank acted as Joint Bookrunners for the 2026 Notes.
