

Crédit Agricole Italia and Nexi renew their strategic partnership until 2029

Milan/Parma, 25 July 2025 – Crédit Agricole Italia and Nexi announce the renewal of their strategic partnership until 2029: the bank will continue to distribute the European PayTech's acquiring and payment solutions in Italy.

This agreement further strengthens the long-standing relationship between the two players, who have been collaborating successfully for over 30 years. Today, the partnership includes more than 3 million cards and over 100,000 Nexi POS terminals used by Crédit Agricole's customers.

The agreement will enable the bank to further enhance its offering on digital payments, allowing customers to benefit from highly innovative, cutting-edge and secure products and services provided by Nexi.

"The renewal of our partnership with Nexi confirms Crédit Agricole Italia's strategy of always placing customers at the core, by offering solutions tailored to their needs. The agreement represents a significant step forward in our growth strategy in the Italian market, through which we will ensure our clients continuity with the current model, along with high standards of quality, security and innovation," commented **Vittorio Ratto, Deputy General Manager, Retail and Digital at Crédit Agricole Italia**. *"We believe that the payments market, already experiencing strong growth, holds further development potential, with positive impacts on the Country's overall growth."*

For Nexi, the agreement further reinforces its role as a key partner for banks in Italy: *"We are very proud of the renewal of our partnership with Crédit Agricole in Italy, confirming Nexi as the ideal partner for ambitious banking groups focused on the evolving customers' needs, thanks to its scale, expertise and best-in-class technology platform in Europe."* commented **Marco Ferrero, Chief Regional Officer Italy at Nexi**. *"Today's announcement is also a proof of the excellent work carried out together with Crédit Agricole over the years, and an incentive to continue supporting the evolution of the market while investing in top-quality products and services with the highest standards of security and innovation."*
